RABADA

BOUTIQUE STUD BREEDING WITH TOP BLOODLINES

Bloomhill Stud is located on a picturesque farm just outside Wartburg, with fertile soil and the perfect climate for raising equine athletes. It is home to the legends Wysiwyg and Rabada. A family owned business, the stud is successfully run by a small yet knowledgeable team with vast experience.

Our facilities offer a stallion barn and a mare and foal barn with extra-large stables for breeding, as well as onsite medical facilities. We have accumulated an impressive array of broodmares from some of the nation's elite families by top sires.

We plan to remain a small boutique stud, breeding with top bloodlines and mares with great conformation. We look forward to welcoming you to our farm, and sharing our breeding journey with you.

BSA's Code Of Conduct

Introduction

The Code hereunder sets out the principles which apply to all sales of bloodstock and stallion shares by BSA at public auction, to ensure that sales of bloodstock by BSA set and maintain a high standard of integrity and transparency, which will safeguard the interests of vendors, consignors, buyers, bloodstock agents, owners, trainers and BSA.

Definitions

- "Agent" means any breeder, owner, trainer, consignor, bloodstock agent, or any other person or entity who represents a Principal in the sale or purchase of bloodstock or stallion shares, whether the Agent is paid by way of retainer, commission or other forms of remuneration, or has ongoing financial arrangements (for example the payment of management fees), or not.
- "Principal" means a person or entity who appoints an Agent to act as agent on his/her behalf in the sale or purchase of bloodstock or stallion shares as in the definition above.

Code

1. An Agent owes a duty to his/her Principal to act at all times in accordance with his/her Principal's best interests.
2. An Agent shall not place him/herself in a position where personal interests conflict with the duty to his/her Principal. In particular, an Agent shall not use his/her position to obtain a secret profit or benefit.
3. When an Agent acts as a vendor or part-vendor and sells or intends to sell any horse in which he/she has an interest to a Principal, or intended Principal, the Agent must disclose to his/her Principal, before completion, the full extent of that ownership or interest and the benefit derived from that transaction.
4. If an Agent acts for more than one Principal in a transaction (which might be both the vendor and buyer), the Agent can only do so if he/she has first disclosed this fact, before completion, to all his/her Principals, and obtained their consent.
5. An Agent must notify his/her Principal, preferably in advance, when a conflict of interest could arise, such as transactions involving third parties with whom he/she has a retainer, transactions where he/ she is aware he/she will benefit from a third party, or transactions concerning horses which he/she has previously purchased or been involved with.
6. An Agent shall disclose to his Principal and, if required, account to his/her Principal for any Special Financial Benefit/Accrual paid to him/her by or on behalf of a vendor. "Special Financial Benefit/Accrual" refers to any financial payment or payment in kind made by or on behalf of a vendor to a Buyer or his agent, after the sale of a horse has been concluded.
7. If an Agent receives an offer to purchase a horse he/she must relay that offer in its entirety to his/her Principal and respond in accordance with the Principal's instructions.
8. A vendor must not offer any secret profit or benefit to any person whom he/she believes to be an Agent acting for a prospective Buyer.

Enforcement

9. Any alleged breach of this Code may be reported to the National Horseracing Authority of South Africa ("NHRA"). It will be the responsibility of the complainant of the alleged breach to provide the NHRA with the evidence in support of the alleged breach. Should the NHRA consider that there is merit in the complaint and that its Rules may have been contravened, the NHRA may constitute an Inquiry Board to deal with the matter as provided for in its Rules. All parties involved must provide their full assistance and cooperation to the NHRA.

Notice of cancellation must be accompanied by a veterinary certificate confirming the condition. The Buyer acknowledges that he shall have no other or further claims against the Vendor, the Auctioneer or the Association in the event of the cancellation of the Sale in terms of this clause.

The administration of any such drugs and analgesics within the immediately preceding two months prior to the Sale, or during the Sale, must be disclosed and documented in the Repository described in clause 20, or in such other place as the Association may indicate. The administration of bisphosphonates to any Horse entered for Sale is prohibited. The presence of bisphosphonates in a post-sale blood sample taken from the Horse before it leaves the Association's sales premises, will result in the cancellation of the Sale.
- 4.11 In the event of any horse entered for the sale having received any drug or treatment as described in Clause 4.10 supra, it is the sole obligation of the vendor to declare any drugs and or treatment to the auctioneer prior to the lot being sold.
- 4.12 The Buyer of a Horse may, after the Sale but before the Horse leaves the Association's sales premises and at his own cost, request that the Horse
- 4.12.1 be examined for the presence of any drug as described in clause 4.10 above.
- 4.13 The examination must be carried out on the Association's Sales premises by a veterinary surgeon appointed by the Buyer and must be concluded within 48 hours from the end of the Sale. The Buyer and the Vendor, or their authorised representatives shall be entitled to be present during the examination.
- 4.14 The provisions of clause 4.6 above, where applicable, shall apply if the Vendor disagrees with the veterinary certificate supplied by the Buyer.
- 4.15 If the presence of any drug as described in clause 4.10 above is found in the Horse before it leaves the Association's sales premises, and such administered drug has not been disclosed and documented in the Repository, the Buyer may elect to cancel the sale and return the Horse to the Vendor. The Buyer acknowledges that he shall have no other or further claims against the Vendor, the Auctioneer or the Association in the event of the cancellation of the Sale in terms of this clause.
- 4.16 The Buyer of a Horse may, after the Sale but before the Horse leaves the Association's sales premises and at his own cost, request that the Horse:

The Buyer and the Vendor, or their authorised representatives shall be entitled to be present during the examination. The provisions of clause 4.6, where applicable, shall apply if the Vendor disagrees with the veterinary certificate supplied to the Buyer.
- 4.18 If a veterinary surgeon is of the opinion that the horse has any of the following conditions:
- i. Laryngeal neuropathy (Grossly deficient abductor function of one or both Arytenoid cartilages, Grades 4 and 5 Lane Bain Fallon Proceedings 1993). Refer to Appendix 2, point 2.1;

- If any of the above condition(s) have not been announced prior to the horse being offered for sale, the Purchaser may cancel the sale.
- 4.19 Notwithstanding the cancellation of a Sale in terms of clause 4.5, 4.8, 4.15, 4.18 or 4.19 above:
- 4.19.1 the Vendor of the Horse shall nevertheless remain liable for the Auctioneer's levy, as provided for in clause 12 below, as if the Sale had not been cancelled; and
 - 4.19.2 neither the Association nor the Auctioneer shall be liable for any failure by the Vendor to disclose any of the conditions specified in clauses 4.1, 4.7, 4.10 or 4.18 above, or for any damages suffered by the Vendor or the Buyer pursuant to any cancellation arising from such failure to disclose.
- 4.20 Except as provided for in this clause 4 or other express provisions of these Conditions, no other condition, fact or defect, whether patent or latent shall constitute grounds for the cancellation of the Sale or for a claim for damages, save and except where the Association may be liable therefore in terms of section 61 of the Consumer Protection Act.
- 4.21 The Association will attempt to resolve Sales related disputes in relation to a Horse, that arise between a Buyer and a Vendor, and which disputes are not covered by Clause 4, in whichever way it deems appropriate and suitable. If, however, it is unable to do so within two months from date of Sale, having used all reasonable endeavours, then the dispute, of whatever nature in relation to a Horse, shall lie and must be resolved by and between Buyer and Vendor only. The Association, who only act as Agent, shall not take any further responsibility for, nor become further involved in such dispute nor shall it constitute grounds for cancellation of the Sale or for a claim for damages against the Association.
- 4.22 It is recommended that Buyers and Vendors resort to Mediation rather than litigation where a dispute cannot be resolved as above.

- 4.23 All images, photographs & videos of horses are provided by the Vendor and are deemed as the correct horse by the Association. If the Buyer finds the image, photograph or video are not the actual horse post-sale, The Buyer shall be entitled to cancel the sale of a Horse found, within 10 days of its sale.

5. BIDDING

- 5.1 A bid taken by the Auctioneer from a person who is not in possession of a valid Buyer's Card issued by the Association for the Sale is invalid.
- 5.2 The Parties acknowledge that announcements are made from the Auctioneer's rostrum before the commencement of the Sale and from time to time during and after the Sale. The Association disclaims all responsibility for any claims or damages suffered by any person on account of not having heard such announcements.
- 5.3 Subject to the provisions of clause 5.6 below, the highest bidder whose bid is accepted by the Auctioneer, shall be the Buyer of the Horse; provided that, if a dispute arises between two or more bidders in respect of the Sale of a Horse, the Auctioneer may, prior to the completion of the Sale as specified in clause 1.25, and in his sole and absolute discretion:
- 5.3.1 re-auction the Horse in question; or

- 5.6 A Vendor may impose a reserve price on a Horse by giving written instructions in this regard to the Auctioneer specifying the reserve price, prior to commencement of the Sale. The Auctioneer shall have the right to bid as agent on behalf of the Vendor to such reserve price. In the absence of such instructions, the Auctioneer will sell to the highest bidder. The Vendor and the Buyer indemnify and hold the Association harmless against any claims arising from any errors made by the Auctioneer in conducting the Sale, including any errors made with regard to the reserve price. This clause constitutes a notice for purposes of section 45 of the Consumer Protection Act 68 of 2008 that the sale is subject to reserve prices.
- 5.7 The Auctioneer shall determine and regulate the advance of the bidding and shall be entitled, in his sole discretion, to ignore or reject any bid, without giving any reasons for such action.
- 5.8 The amount of a bid shall not include any VAT.
- 5.9 Only Buyers in possession of a valid Buyer's Card may bid at a Sale. If, after the fall of the hammer, it transpires that the person to whom a Horse was sold was not, at the time of such Sale, in possession of a valid Buyer's Card, that Sale shall be null and void *ab initio* (meaning "from the beginning") and the Horse shall immediately be re-auctioned.
- 5.10 The Auctioneer and/or the Association may at its sole discretion withdraw any horse from the sale, without providing any reason therefor.

6. EXPORT AND IMPORT REQUIREMENTS

The Buyer of any Horse requiring to be exported or imported shall be responsible for ensuring that all requirements necessary for the export or import of such Horse are met. The Buyer shall not be absolved from complying with his obligations, in particular his payment obligation, in terms of these Conditions by virtue of an allegation of impossibility of performance or force majeure in regard to compliance with the necessary requirements. No horse may be exported unless full payment for that horse has been received by the Association, and the Association has given written confirmation and consent for the export of the horse.

7. CHOSEN ADDRESS (*DOMICILIUM CITANDI ET EXECUTANDI*)

- 7.1 A Buyer must provide current contact details, including current telephone and cellphone numbers and a current physical, email and postal address, in his application for a Buyer's Card. The physical address provided by a Buyer in his application for a Buyer's Card shall be deemed, for the purposes of these Conditions, to be his chosen address (*domicilium citandi et executandi*) for all purposes under these Conditions, whether for serving any court process or documents, giving any notice, or making any other communications of whatsoever nature and for whatsoever purpose under these Conditions.
- 7.2 The association is authorized by the vendor and the buyer to collect their respective personal information, store it in any format (including any database hosted anywhere in the world) and to use and disclose such personal information in any manner specifically for the purpose of the sale, and any reasonably ancillary purpose, for as long as the association deems it necessary, without any further notice to, or consent from, the vendor or the buyer.

- 8.2 All risk in respect of a Horse sold at the Sale shall pass to the Buyer "on the fall of the hammer", at which time the Buyer shall forthwith be responsible for the care, keep, custody, control, insurance and security of and for the Horse and for all expenses relating thereto and shall bear the risk of injury to, sickness or death of the Horse. The Buyer agrees to release, defend, indemnify and hold the Association, its officers, employees, agents and representatives and the owners or operators of facilities in use by the Association (collectively "the Indemnified Parties") harmless from all losses, damages, liabilities, expenses, claims, causes of action or legal fees arising out of or related to the possession, care, keep, custody, control or maintenance of any Horse on which he is the successful bidder, including any claims arising out of injuries, sickness, death or damage caused by the Horse after the fall of the hammer, save and except where the Indemnified Parties or any of them may be held liable in terms of section 61 of the Consumer Protection Act.

- 8.3 The Buyer shall not allow or cause any Horse bought in terms of these Conditions to become subject to any lien, hypothec or other form of security until such time as the Debt has been settled in full. In the event of such lien, hypothec or other form of security arising, the Association shall be entitled to act in accordance with the provisions of clause 10.4 below.
- 8.4 The Buyer shall insure the respective interests of the Association and himself in all Horses bought for a period of 90 days from date of the Sale, before leaving the Association's sales premises. If the Buyer's insurance broker does not confirm the insurance cover after the Sale, the Association may automatically insure the Horse and any premiums paid in this regard shall be for the account of the Buyer. The Buyer shall also ensure that the Association's interest is endorsed on the policy provided that:
 - 8.4.1 if the Purchase Price of any Horse remains unpaid after a period of 90 days, for any reason whatsoever, the Association shall be entitled, at the cost of the Buyer, to extend such period of insurance until such time as the Purchase Price is paid in full by the Buyer;
 - 8.4.2 where the Purchase Price is paid before a period of 90 days has elapsed, the Buyer shall be entitled to cancel the policy of insurance with effect from such date;
 - 8.4.3 in the event that the Association arranges insurance for the Buyer it shall be entitled to a handling fee in respect of such insurance, and shall disclose to the Buyer the cost of any insurance supplied including the amount of the handling fee upon request. The Association shall further provide the Buyer with a copy of the insurance policy upon request.
- 8.5 Save as provided in these Conditions or unless other prior arrangements in writing have been made with the Association, the Buyer shall remove the Horse purchased promptly from the Association's sales premises after the Sale. Should the Buyer fail to remove the Horse promptly, the Association may remove the Horse from the sales premises at the Buyer's risk and expense or, alternatively, charge the Buyer for stable space and keep, and any other charges incurred by the Association in this regard, which charges the Buyer agrees to pay to the Association on demand.
- 8.6 Ownership in the Horse shall only pass to the Buyer upon payment of the Debt (as defined in clause 1.8 above) notwithstanding that the Buyer may have taken possession of the Horse. Until the Debt has been paid in full, the Buyer shall not be entitled to have the Horse registered in his name or that of his nominee.
- 8.7 The Buyer shall, until such time as the Debt has been paid in full, keep the Association advised at all times of the physical address at which the Horse purchased is being kept and the Association shall have the right to physically inspect the Horse at any stage prior to payment of the Debt in full. In the event that the Horse is moved to another location prior to the payment of the Debt in full, the Buyer shall notify the Association of the change in location in writing within 7 days of such change.

- 9.2 No Buyer who has materially breached any provision of these Conditions, or who still has Debts outstanding from a previous Sale shall be issued with a Buyer's Card.
- 9.3 Subject to compliance with the provisions of clause 9.4 below, only the person to whom the Buyer's Card is issued and whose signature appears on the Buyer's Card, shall be allowed to sign for the purchase on the vendor roll. Where the signature on the vendor roll is that of another person, the Association shall be entitled to regard the Sale as null and *void ab initio* (meaning "from the beginning") in which event the Horse shall be re-entered into the Sales Ring for re-auction.
- 9.4 The Association shall only issue a Buyer's Card to a prospective Buyer on the following conditions:
 - 9.4.1 the Association will approve a Purchase Facility, the amount of which will be endorsed and authorised on the application for a Buyer's Card;
 - 9.4.2 the prospective Buyer shall not be entitled to exceed the Purchase Facility, in respect of purchases at the Sale. Once that limit has been reached, the Buyer's Card shall be withdrawn unless and until the Association approves, in writing, an increased purchase facility and causes the increased purchase facility to be endorsed on the application for a Buyer's Card;
 - 9.4.3 the Association reserves the right, in its sole discretion, to suspend or withdraw the Buyer's Card facility of any Buyer, who generally and/or habitually pays his or her account late. In the event of the Buyer exceeding the purchase facility granted by the Association, then all subsequent purchases may at the Association's sole discretion be declared null and void, and re-auctioned.
 - 9.4.5 before the Association will issue a Buyer's Card, the prospective Buyer may be obliged to lodge with the Association a deposit for an amount determined by the Association ("the Deposit"), which amount shall be at the sole discretion of the Association;
 - 9.4.6 the Association shall be entitled at its sole discretion to utilize such deposits for any amount owed by the Buyer.
 - 9.4.7 the Association may at its sole discretion, and without any restriction and/or limitation of its rights in terms of these Conditions of Sale, Waive any requirement.
- 9.5 All cash sums paid to the Association are subject to the Financial Intelligence Centre Act No. 38 of 2001 and substantial amounts will have to be reported to the authorities in accordance with the provisions of that Act.
- 9.6 If a Vendor agrees to advance extended payment terms to a Buyer at any stage of a Sale, the transaction will automatically become a Direct Payment and the sales charges, including the acceptance fee and the sales levy due to the Association become payable immediately. Any Vendor who elects to make a transaction a Direct Payment absolves the Association of all responsibility in respect of such transactions and will be held responsible for any legal fees and costs and any other costs already incurred by the Association in relation to the purchase of the Horse.
- 9.7 In the event of a default of any nature whatsoever with regard to any horse, the Association reserves its rights, at its sole discretion, to re-offer the horse for sale, alternatively, to return the horse to the vendor. Any Shortfall on resale, and all costs, interest, insurance, damages, legal costs and other fees and disbursements associated with the prior attempted sale and the re-sale of the Horse, including care, keep and transport of the Horse, shall be for the defaulter's account and shall be paid by him on demand from the Association.
- 9.8 The Association reserves the right not to release a Horse to a Buyer, and to keep it stabled at its sales premises or at any other

suitable place chosen by the Association until payment has been received in full from the Buyer.

- 9.9 Where a Deposit as defined in clause 9.4.5 is lodged with the Association, the Association shall deal with the deposit in the following manner:
- 9.9.1 should the prospective Buyer not have purchased any Horse, the Deposit shall be refunded to the prospective Buyer as soon as possible, but not later than 14 days after he has surrendered and handed back his Buyer's Card;
- 9.9.2 should the Purchase Price/s in respect of the Buyer's total accepted bids be less than the amount of the Deposit, the amount owing in respect of the purchases will immediately be deducted from the Deposit and the balance refunded to the Buyer as soon as possible but not later than 14 days after the date of the Sale;
- 9.9.3 should the Purchase Price/s in respect of the Buyer's total accepted bids exceed the amount of the Deposit, then the Deposit will be offset pro rata against the Purchase Price/s of the Horse/s bought;
- 9.10 Any amounts due to the Association in respect of purchases and not paid in full within the agreed terms shall attract administration charge of 2% per month, from the date of Sale to date of actual payment. If the Debt is not paid in full within the agreed terms, the Association shall be entitled to take action in terms of clause 10 below.
- 9.11 No Horse may be removed from the sales premises before a release permit in respect of that Horse has been issued by the Association. Such release permit shall be issued by the Association at its sole discretion.
- 9.12 The Buyer of a Horse shall be obliged to pay any VAT payable in respect of such Horse.
- 9.13 Payment can be made by electronic means only to the following account, whereafter proof of payment must be provided to the Association by the Buyer.

BLOODSTOCK SA
Nedbank
Business East Rand
Account No: 1288 059744
Branch No: 128842

- 9.14 In the event of the buyer depositing cash, into the abovementioned bank account, all costs associated therewith shall be borne the buyer.

10. LEGAL REMEDIES, REPOSSESSION AND COSTS

- 10.1 The Buyer agrees and acknowledges that in the event of:
- 10.1.1 the Buyer materially breaching any provision of these Conditions;
- 10.1.2 the Buyer failing to pay the Debt in full within the agreed terms for payment, which includes failing to make payment for any Horse within 21 days from the date of the Sale;
- 10.1.3 the Buyer dying;
- 10.1.4 the Buyer's estate being placed under any order of provisional or final sequestration, provisional or final winding-up or in the event that the Buyer is placed under liquidation or supervision and/or is subject to business rescue proceedings, as the case may be; then and in that event the Association shall, at its sole discretion, without notice and without detracting from any other remedies which may be available to it:
- 10.1.5 be entitled to summarily cancel the Sale of any Horse to the Buyer (in respect of which monies are owing by the Buyer) and to repossess such Horse from anyone in possession of it ("the Repossessed Horse"); or
- 10.1.6 to claim specific performance of all the Buyer's obligations whether or not such obligations would otherwise then have fallen due for performance; in either event without prejudice to the Association's right to claim and recover damages for breach of contract.
- 10.2 The Buyer agrees to voluntarily hand over the Horse to the Association or its agents or to instruct his employees, servants, trainer(s) or whoever is in possession of the Horse to do so. All costs and expenses occasioned by such repossession shall be recoverable by the Association from the Buyer.
- 10.3 The Buyer acknowledges and agrees that if for whatever reason he refuses to voluntarily hand over the Horse, the Association shall be entitled to immediately apply for and obtain a repossession order from a court of competent jurisdiction; and that in the event that such court action is unsuccessfully opposed, the Buyer shall be responsible for the legal costs incurred by the Association in respect of the court action on an attorney and own client scale.
- 10.4 Where any person claims to have a lien over any Horse in respect of which the Purchase Price has not been paid, the Association has the right to settle such lien as it deems fit to recover possession of the Horse. Any monies paid in discharge of any lien shall form part of the Debt which the Association shall be entitled to recover from the Buyer in addition to any other amounts which may be payable.
- 10.5 If after repossession the Vendor elects to keep the Horse or elects to buy it in at a subsequent Sale, or resells it privately at any stage, he absolves the Association of all further responsibility and claims in respect of such Horse and its sale. The Vendor will remain liable to pay the Association its levies as if the Sale had not been cancelled.
- 10.6 Notwithstanding the cancellation of the Sale by the Association, the Association shall be entitled to retain:
- 10.6.1 any sums paid by the Buyer in respect of the Debt; and/or
- 10.6.2 the Deposit or any portion thereof which was offset against the Purchase Price; in reduction of damages, if any, which may be suffered by the Association and/or the original Vendor by reason of the breach by the Buyer and the resultant cancellation of the agreement of Sale.
- 10.7 Should the Association elect to cancel the Sale and repossess the Horse sold, the Association shall be entitled, but not obliged, to attempt to re-sell the Repossessed Horse at any future Sale. If the Repossessed Horse is sold, then the Purchase Price, if and when paid in full, shall be used in reduction of the Shortfall, if any, which may have resulted by reason of the breach by the Buyer and the resultant cancellation of the agreement of Sale. The Association shall also be entitled to resell any Horse in respect of which the Buyer cannot be found or traced.
- 10.8 If the Sale is cancelled, whether the Horse is resold or not, the defaulting Buyer agrees to pay all costs which arise from the cancellation, which include but are not limited to transport and keep costs, veterinary fees, insurance, legal costs on the attorney and own client scale, loss of interest and loss of income (e.g. sales levy), on the Purchase Price in respect of such Horse.

- 10.9 Any Shortfall remaining after the resale shall be made good by the defaulting Buyer on demand from the Association. Under no circumstances shall the Association be liable to the Vendor for the Shortfall.
- 10.10 In the event of a Surplus arising from the resale, the Surplus shall then be applied to the settlement of any costs of any nature whatsoever from the original Sale and any other costs and charges including insurance premiums, the cost of transporting, maintaining and stabling the Horse, any monies paid by the Association in discharge of any lien over a Horse in terms of clause 10.4, legal fees and legal costs, interest on the original Purchase Price from the date of Sale to the date of actual payment, and any other costs arising from the repossession of the Horse. Where there is any Surplus remaining after these costs are settled, the Association shall in its sole discretion be entitled to determine how such Surplus will be applied or utilised.
- 10.11 Neither the Association, nor the auctioneer, shall have any vicarious liability to either the Vendor or the Buyer in consequence of any breach or default on the part of either or both of them.
- 10.12 Forty-five days after the Sale any remaining Debt, which includes interest, insurance costs and any other amount which may be due and payable to the Association, will be handed over to attorneys for collection on behalf of the Association. In the event of the Association instructing attorneys, for whatever reason, to (including but not limited to): collect any amount owing to the Association, obtain a repossession order, and/or to draft any agreement to secure the Association's rights, the Buyer agrees to pay all the costs of the Association on the scale as between attorney and own client.
- 10.13 The Parties consent to the jurisdiction of the Magistrate's Court in terms of section 45 of the Magistrate's Court Act No. 32 of 1944 (as amended) having jurisdiction under section 28 of the said Act, notwithstanding that the claim by the Association exceeds the normal jurisdiction of the Magistrate's Court as to amount. The Association shall, in its discretion, be entitled to proceed against the Buyer and/or the Vendor in any other court of competent jurisdiction notwithstanding the foregoing.
- 10.14 No relaxation or indulgence granted to the Buyer or the Vendor by the Association at any time shall be deemed to be a waiver of any of the Association's rights in terms hereof, and such relaxation or indulgence shall not be deemed a novation of any of the terms and conditions set out herein or create any estoppel against the Association. For the sake of clarity "estoppel" refers to the principle that where a person by his words or conduct wilfully causes another to believe the existence of a state of things and induces him to act in that belief, so as to alter his own previous position, to his detriment, the former is precluded from averring against the latter a different state of things as existing at the same time. For the sake of clarity "novation" takes place as the result of an agreement between the parties substituting a new obligation for an existing one.
- 10.15 Should a dispute arise regarding the purchase of a Horse, the Buyer shall be obliged, if required to do so by the Association, to return the Horse at his own expense to a party nominated by the Association. The nominated party shall maintain the Horse until the dispute has been resolved on condition that the Buyer shall be liable for the costs of stabling and maintaining the Horse, which amounts he shall pay to the nominated party on demand.
- 10.16 No right of set-off between a Buyer and a Vendor shall be valid or recognised by the Association. The Association shall be entitled to set-off against any money due by the Association to any Buyer or Vendor, any amount due to the Association or payable to the Association by such Vendor or Buyer, irrespective of whether or not the amount be disputed by the Buyer or the Vendor.
- 10.17 The Association shall be entitled to appropriate and deduct from any monies held or received by it from any source on behalf of the Vendor, such amounts as may be necessary to cover any levies, fees, costs, repayment in terms of clause 14 below or any other monies owing to it by the Vendor.
- 10.18 No Buyer who has materially breached any condition contained in these Conditions shall be entitled to a Buyer's Card at future sales of the Association.
- 10.19 A certificate under the hand of the Association or the Chief Executive Officer ("C.E.O.") of the Association (whose appointment need not be proved) as to any amounts due and owing by the Buyer or the Vendor in terms of these Conditions shall constitute prima facie proof of the matters therein stated for all purposes including, without limitation, summary judgement, default judgement and provisional sentence proceedings.

11. AGENTS

- 11.1 Any person acting as an agent on behalf of a principal:
 - 11.1.1 Shall, if he is buying as an authorised agent on behalf of a principal, ensure that his or her principal has completed and signed an Authorisation of Agent form and that this form has been submitted to the Association prior to the Sale;
 - 11.1.2 shall ensure that a Buyer's Card application in the name of the principal has been completed and signed by the principal and submitted to the Association prior to the Sale;
 - 11.1.3 may be required, prior to his participation in the Sale, to establish to the satisfaction of the Association, his authority to so act and to furnish the Association with the necessary documentation in substantiation thereof;
 - 11.1.4 shall, if he is the Buyer, disclose the name and address of his principal if so requested by the Association;
 - 11.1.5 shall, if he is the Vendor, disclose full contact details including the name and address of his principal when entering Horses for the Sale, if so requested by the Association;
 - 11.1.6 shall be jointly and severally liable to the Association for the timeous fulfilment of all the obligations of his principal in terms of the Conditions, renouncing the benefits of division and excussion. An Agent shall be so liable even if he fails to disclose the information as required by clauses 11.1.1 to clause 11.1.5 above inclusive. For the sake of clarity by renouncing the benefits of division, the agent renounces the defence that liability must be divided among the sureties and that each one can only be sued for his pro rata share. By renouncing the benefits of excussion, the agent renounces the defence that may be taken by a surety in order to oblige the creditor first to proceed and levy execution against the principal debtor before any action may proceed against the surety.
- 11.2 No person acting as an agent and buying in his own name on behalf of a principal will be released from his responsibility to pay the Debt owing to the Association on account of his inability to secure payment from his principal or his principal defaulting in making payment.
- 11.3 No person, with a valid Buyer's Card, who allows another person without a Buyer's Card, to use his card to purchase Horses and sign for the Horses, will be released from his responsibility to pay the Debt owing to the Association on account of his inability to

secure payment from such Buyer.

- 11.4 By entering a Horse for Sale, a Vendor shall be deemed to have irrevocably authorised the Association to dispose of the Horse concerned on behalf of the Vendor or owner in terms of these Conditions.

12. LEVY

- 12.1 Subject to the remaining provisions of this clause 12, the Vendor shall be liable to pay the Association the following levies:
A sales levy at a rate of 8% (National Yearling Sale) & 7% (all other major sales). A compulsory reserve commission of 2.5% shall apply to all sales conducted by the Association.
The levy for non-members of the Association selling any horse at any sale conducted by the Association is 10%.
All of the levies and commissions are stated as excluding VAT.
- 12.2 Acceptance of a Horse for sale shall, notwithstanding the provisions of clause 3.3 above, be deemed to have occurred upon the acceptance by the Association of details relating to such Horse for its sales catalogue.
- 12.3 Levies as per 12.1 shall be payable on the price realised if the Horse is sold by auction or private treaty by the Association, the Vendor, his agent or representative at any time during the period commencing upon acceptance of the Horse and concluding 60 days after the Sale has been held or the date upon which the Sale has been to be held.
- 12.4 If any Horse is entered for the Sale and accepted by the Association and such Horse is then subsequently sold by the Vendor by private treaty or any other arrangement at any time before the Sale, the Vendor, his agent or representative must immediately inform the Association of this fact and must, at the same time, withdraw the Horse from the Sale. Such Horse may not, under any circumstance, be allowed to go through the Association's Sales Ring.
- 12.5 Any Vendor, wishing to put a reserve price on a Horse, must complete, in writing, the Association's official reserve price form and submit the form to the Association before the Horse enters into the Sales Ring. No verbal instructions to the Auctioneer or any rostrum team member regarding the reserve price will be accepted or permitted. In the absence of an official reserve price, the particular Lot will be considered on the market and will be sold to the highest bidder. The Auctioneer and/or the rostrum team will not accept any form of selling price instructions from a Vendor regarding Horses with no official reserve prices nor will it be permitted.
- 12.6 If an unsold Horse is sold privately after the Sale, levies as per 12.1 will apply.
- 12.7 If a Horse is withdrawn from the Sale, for any reason whatsoever, except if a veterinary certificate certifying that the Horse is unfit for Sale due to injury or illness is produced, the Vendor undertakes to pay the Association a levy as per clause 12.1, calculated on the average price realised in the particular category for which the Horse was entered. Such veterinary certificates must be lodged with the Auctioneer or the Association prior to commencement of the Sale. A certificate lodged after the closure of the Sale, will not be considered and all levies will be due and payable.
- 12.8 The Association reserves the right to send a vet approved by it to the premises where the Horse is being kept or stabled, to inspect the Horse to confirm and satisfy itself as to the validity of the certificate referred to in clause 12.7 above.
- 12.9 The minimum price that will be accepted for any Horse at the Sale is R50 000 excluding VAT.
- 12.10 Entry and acceptance fees are payable prior to the auction sale for that sale and as stated on the Associations website for that specific sale.
- 12.11 A Sales race levy of R2 300,00 (R2 000 + R300 VAT) will be charged as per the entry form for that sale and as stated on the Associations website for that specific sale and will be raised against every horse that has passed through the sales ring (sold and unsold) to fund the Added Stakes Program. This levy will be deducted from sales proceeds of the Vendor.

13. RIGHTS AND OBLIGATIONS OF A VENDOR

- 13.1 The Vendor of a Horse shall be entitled to receive from the Association, on the 35th day after the last day of the Sale, payment of the Purchase Price realised, less levies and other charges deductible in terms of these Conditions; provided that the Association shall be entitled, in its sole discretion, to withhold payment:
- 13.1.1 in the event of the Vendor being in breach of these Conditions;
- 13.1.2 in the event of the Vendor, acting as an agent, having failed to comply with clause 11.1.; or
- 13.1.3 until the Association has received payment from the Buyer; or
- 13.1.4 until, where applicable, the payment has been cleared by the relevant bank or other financial institution.
- 13.2 The Association shall be entitled to deduct, in addition to the amounts referred to in clause 13.1, from the proceeds of the Sale of any of the Vendor's Horses which have been entered, whether the Vendor is acting as a principal, as an agent, or as a partner any amounts which may be due to the Association by the Vendor, any of his principals, or any of his partners.
- 13.3 The Association will pay out the proceeds from the Sale only to the Vendor or his duly authorised representative who has entered the Horse on the Sale, unless such Vendor or his duly authorised representative gives the Association written instructions to do otherwise. The Association will not accept instructions from anybody else in this regard.
- 13.4 The Association shall be entitled to pay any amount which is due to the Vendor directly into the bank account nominated by the Vendor on the relevant entry form for that sale.
- 13.5 If a Vendor, contrary to the provisions of clause 9.9 and clause 9.12 above permits the removal of the Horse after the Sale, the Association shall not be obliged to collect the Purchase Price in respect of the Horse; however the Vendor shall nevertheless remain liable for the payment, on demand, of all levies and other amounts provided for in these Conditions.
- 13.6 Notwithstanding anything contained herein, it is the intention of the Association and the Vendor that the Association shall, immediately following upon the Sale until such time as payment of the Debt has been made by the Buyer, be entitled to exercise in its own name all the rights of ownership in respect of the Horse sold. For the purposes of the foregoing the Vendor, as owner or duly authorised agent of the owner:
- 13.6.1 hereby irrevocably authorises the Association to exercise all status, rights and powers that the owner may exercise, including, but not limited to the protection and enforcement of ownership, the right to complete and sign any change of ownership form and the right to institute any legal proceedings regarding the repossession of and/or payment for the Horse;
- 13.6.2 cedes to the Association all rights, title and interest in and to all remedies that the Vendor may have in law against the

Buyer in respect of the Sale of the Horse in question.

- 13.7 No Horse entered for Sale shall be sold privately prior to the auction without the Association's prior written consent.
In the event of any prior Sale, the Association shall be entitled to its full levy and fees as if the Lot was sold under the hammer, and the Vendor shall provide the Association with full details of any such Sale.
- 13.8 The Vendor warrants that he has the necessary title to sell the Horse.
- 13.9 Under no circumstances shall any part or all of the Purchase Price of a Horse be paid directly to a Vendor by the Buyer, unless otherwise agreed to, in writing, by the Association.
- 13.10 It is the Association's intention to collect the entire Debt from the Buyer. If, however, it is unable to do so within 6 months from the date of Sale, having implemented all reasonable collection steps available to it, the Association shall be absolved in all respects by the Vendor to collect the Debt still outstanding at the time. The Association may then elect at its sole discretion to cede its rights associated with the Debt to the Vendor. The Association will not be liable for any losses or costs incurred by the Vendor on account of the Association having been unable to collect the Debt in full or in part.
- 13.11 If the Vendor agrees to any other payment terms than those contained herein with the buyer, then the Association shall be under no obligation whatsoever to the vendor as to collection and payment of the purchase price and any other costs. In any such case the Vendor shall remain fully responsible for the due payment of all levies, fees and monies owing to the Association in connection with the auction and sale of the Horse, whether or not the Buyer has paid either the Association or the Vendor directly.
- 13.12 The NHRA registration and cost of registration of all foals is always the sole responsibility of the breeder of such foals.
- 13.13 Where covering fees of mares and/or the NHRA registration fees of foals sold at foot and weanlings are outstanding in respect of such animals having been sold by the Association, the Association will only pay out the proceeds of such sales to the Vendor once the outstanding matters have been resolved.
- 13.14 All in-foal mares not subject to a live foal guarantee must be accompanied by the relevant covering certificate to the sale venue. The Vendor is to deliver such certificates to the Association 24 hours prior to the sale on which the mare is entered.
- 13.16 Live foal fees, stallion covering fees and/or any other relevant fees/charges remain the responsibility of the Vendor and may not be transferred to the Buyer. Unless stated by the vendor prior to the sale and/or agreed in writing between the vendor and buyer.
- 13.17 The Vendor acknowledges that the Association shall not be liable for any loss incurred by the Vendor as a result of a breach by the Buyer of these Conditions. In addition, the Association shall not be liable for any loss or damages sustained by the Vendor as a direct or indirect result of the Association's omission or refusal, for whatever reason, to enforce any of its or the Vendor's rights in terms of these Conditions.
- 13.19 No Buyer shall be entitled to cancel any Sale in the event that the Vendor exercises his entitlement to bid on Vendors own horse.
- 13.20 The Vendor shall at their own cost and risk, deliver the horse to the auction venue, provide sufficient staff to care for and handle the horse prior to and during the auction. The association shall free of charge, provide reasonably secure and safe stabling and bedding facilities for each horse and the same is used at the risk of the Vendor. The association is not liable to the vendor for, and the vendor indemnifies the association against any claims in relation to, any loss, damages or costs suffered as a consequence of the vendor's use of such facilities.

14. REPAYMENT BY THE VENDOR

Notwithstanding anything contained in these Conditions, the Vendor undertakes to repay to the Association upon demand, any amounts paid by the Association to the Vendor if the Association is unable, for any reason, to recover the Debt or any portion thereof payable by the Buyer, within a period of 6 months of the date of Sale.

15. THE ASSOCIATION TO ACT AS AGENT

- 15.1 The Buyer and the Vendor acknowledge and agree that, save as is otherwise provided for in these Conditions, the Association acted at all times as an agent only. Accordingly, any remedy which the Buyer may have in law shall lie against the Vendor and any remedy which the Vendor may have in law shall lie against the Buyer; provided that nothing contained in this clause shall affect any of the Association's rights in terms of these Conditions.
- 15.2 Each of the Vendor and the Buyer, for the purpose of enabling and permitting the Association to give full force and effect to these Conditions, hereby irrevocably appoint the Association to be their attorney, with full power to the Association to execute on their behalf any necessary documents, to give all necessary instructions, and to do all such other acts and things as may be necessary.

16. THE ASSOCIATION NOT LIABLE FOR ANY LOSS OR DAMAGE

- 16.1 Save and except where the Association and/or the Auctioneer may be held liable in terms of section 61 of the Consumer Protection Act:
 - 16.1.1 no person who attends a sale or who is present on any property under the control of the Association, shall have any claim of any nature whatsoever and however arising, now or in the future, (including, but not limited to the foregoing, any claims for damage to or loss or destruction of any Horse or other property or death or injury to such person) against the Association or the Auctioneer arising out of any cause whatsoever;
 - 16.1.2 neither the Association nor the Auctioneer shall be responsible for any damage, loss or injury caused by or to any Horse entered for the Sale, while such Horse is under the control or supervision of the Association or the Auctioneer.

17. RIGHT OF ADMISSION

- 17.1 The Association retains the right to prohibit the entry to the premises at which the Sale is conducted of any Horse which is suspected to be suffering from an infectious or contagious disease and/or does not have the necessary veterinary proof of inoculation/vaccination that may be required at any time by law, the Association and/or the NHRA.
- 17.2 The Association reserves the right to refuse entry to the premises at which the Sale is conducted of any Horse not registered or for which an up-to-date passport, as provided for in the rules of the NHRA, has not been lodged with the Association prior to or on arrival of the Horse.
- 17.3 The Association reserves the right, but is not obligated, to examine any or all Horses entering or stabled within the Association's sales premises and to withdraw any Horse before or during any Sale without giving any reason therefor.

- 17.4 The Association shall be entitled, in its absolute discretion and at the expense of the Vendor or the Buyer (as the case may be) to engage a veterinary surgeon to inspect and/or treat any Horse whilst such Horse is on or at any sales premises used by the Association during a Sale and if deemed necessary, to have such Horse removed off/from such Sales premises.
- 17.5 The Association reserves the right to refuse entry into the Sales Ring of any Horse for which the entry fee has not been paid on time as prescribed by the Association on its official entry form for each Sale.
- 17.6 The Association reserves the right of admission and retains the right to prohibit entry to any premises under its control of any person, vehicle and/or animal whatsoever and shall be entitled at any stage to require any person, vehicle and/or animal to vacate with immediate effect any premises under its control.

18. NO VARIATION OR ALTERATION EXCEPT IN WRITING

- 18.1 These Conditions, as amended by the Association from time to time, shall apply to all sales conducted by the Association and the Auctioneer. No variation, alteration or cancellation of these Conditions shall be of any force and effect unless reduced to writing and signed by the C.E.O. of the Association.
- 18.2 If one or more of the provisions or part of a provision in these Conditions is or becomes unenforceable or invalid, the remaining provisions or part thereof shall not be affected but shall remain in full force and effect to the fullest extent permitted by law.

19. COPYRIGHT AND CATALOGUE

- 19.1 The copyright to these Conditions, and to the information contained in the sales catalogue, including information pertaining to pedigrees and performance of horses, rests solely in the Association. No part of the work covered by this copyright may be reproduced in any form or by any means whatsoever without the written permission of the Association.
- 19.2 The accuracy of all information in the catalogue is the sole responsibility of the Vendor, who shall have the duty to examine the catalogue in respect of horses consigned by him prior to the Sale and to report any corrections and inaccuracies to the Auctioneer to enable the Auctioneer to make an appropriate announcement at the time of the Sale.
- 19.3 All information so listed is as represented by the Vendor to whom only the Buyer shall look for redress in case of errors or omissions. Any such errors or omissions must be reported to the Vendor by the Buyer, in writing within 14 days from date of the Sale to be of any force and/or effect.

20. REPOSITORY FOR DIGITAL RADIOGRAPHIC IMAGES

- 20.1 The Repository Terms, Conditions and Procedures, which relate to information lodged and viewed in the Repository, are attached hereto as Appendix 1 and 2, and are available by printable webpage on the Association's website (www.bsa.co.za).
- 20.2 The Repository may only be used by Vendors, Buyers and their authorized agents in accordance with the Repository Terms, Conditions and Procedures. Vendors, Buyers and their authorized agents hereby agree to be bound by the same in all respects.
- 20.3 Where the Vendor or agent of the Vendor has lodged material or information relating to a Lot in the Repository, the Vendor warrants to the Association that the material and information is in all respects valid, complete (as to compliance with the specifications and requirements set out in the Repository Terms, Conditions and Procedures), accurate and authentic as at the date it is lodged. Further, if the Association determines, in its sole discretion, that a Vendor has deliberately and knowingly either placed incorrect information in, or omitted material information from, the Repository which is deemed to be materially misleading regarding the condition of the Horse, the Association may elect, in its sole discretion, to impose sanctions against such Vendor which may include, without limitation, prohibiting such Vendor from selling horses at future sales conducted by the Association.
- 20.4 Buyers and/or their authorised agents who fail to inspect for any reason material or information placed in the Repository in respect of any Lot, do so at their own risk.
- 20.5 The Repository exists for the purpose of facilitating inspection by Buyers of bloodstock for sale which they may be interested in buying. The Repository and its operation shall not otherwise change any of these Conditions, which shall continue to be binding on all parties and does not create any additional express or implied warranties or assurances.
- 20.6 The Association does not review the material or information in the Repository and gives no warranty, guarantee or assurance of any kind in respect of the validity, completeness, accuracy or authenticity of the material or information all of which is the sole responsibility of the Vendor. Knowledge of the Repository information therefore shall not be imputed to the Association and/or the Auctioneer.

APPENDIX 1

REPOSITORY FOR DIGITAL RADIOGRAPHIC IMAGES ("DRI'S") TERMS, CONDITIONS AND PROCEDURES BINDING UPON VENDORS AND BUYERS

1. INTRODUCTION:

- 1.1 The Association has established a Repository where Vendors may deposit DRI's for inspection by prospective Buyers' registered veterinarians. The lodging and inspection of DRI's, and access to the Repository are subject to these Repository Conditions and the Conditions of Sale and Purchase.
- 1.2 The use of the Repository is voluntary and is also recommended for use by veterinarians familiar with interpretation of equine DRI's. It is designed to assist Buyers via their registered veterinarians in assessing Lots of interest to them. The Association has determined that access to DRI's will be restricted to Veterinarians registered with the S.A. Veterinary Council.
- 1.3 Immediately upon the fall of the hammer, access to DRI's within the repository will be restricted to the Vendor of that Lot sold. DRI's of unsold horses may be viewed after the fall of the hammer, but only with the written permission of the Vendor.
- 1.4 Words or terms, where not defined in these Repository Conditions, will be deemed to have the meanings attributed to them in the Conditions of Sale and Purchase.
- 1.5 Repository Conditions include a minimum of 34 DRI's taken strictly in accordance with the specifications detailed in the minimum requirements list below and marked "A" & "B".
- 1.6 All images must be submitted in DICOM format to ensure the integrity of the veterinary medical record.

2. REPOSITORY LOCATION:

The Repository's location will be signposted at the venue.

3. HOURS OF OPERATION OF THE REPOSITORY:

The hours of operation will be advertised at the Repository and are subject to change as required.

4. DRI'S TO BE ACCEPTED TO THE REPOSITORY:

- 4.2 DRI's should be delivered to the Repository at the location referred to in point 2 above, at which time the depositor must sign the deposit form.

5. OBLIGATIONS OF VENDORS:

- 5.1 The Vendor must deliver the DRI's to the Association at the Repository or have these delivered on his/her behalf.
- 5.2 The DRI's must have contained within the digital image of view the name of the veterinarian or clinic, date of examination, sex, Sale lot number, passport number, name and year of the Sale. In addition, the envelope or file in which the DRI's are delivered to the Repository must contain the name of the Vendor.
The Association acknowledges that the Vendor will only allow access to the DRI's to registered veterinarians.
- 5.3 Subject to the Association's right to retain possession of the DRI's for whatever reason and for so long as the Association chooses, the Association will allow the Vendor or his nominated agent, with the Association's written permission, to collect the DRI's from the Repository any time within thirty (30) days from the last day of the Sale.

6. OBLIGATIONS OF BUYERS (INCLUDING THEIR AGENTS):

- 6.1 All veterinarians entering the Repository must sign the register at the Repository.
- 6.2 No person may remove the DRI's from the Repository or copy or reproduce or attempt to copy or reproduce the DRI's, without the prior written consent of the owner (Vendor) thereof.
- 6.3 A person registered to inspect the DRI's, may only inspect one set of DRI's at any one time.
- 6.4 Persons inspecting the DRI's shall not collaborate with or advise others who are not their client(s) (i.e. potential Buyers) when evaluating the DRI's. A veterinarian may however consult with another veterinarian in order to obtain a second opinion if needed.
- 6.5 The Repository is designed for use by registered veterinarians on behalf of their Buyer clients. Access to a Vendor's DRI's will be declined to non-veterinarians or veterinarians not registered in South Africa. Any registered veterinarian representing a Buyer will, in addition to complying with points 6.1 to 6.4 above inclusive:

- 10.2 The Vendor and the Buyer acknowledge and accept that the depositing and inspection of the DRI's, and, the use of the Repository, will not vary or amend the terms of the Conditions of Sale and Purchase which shall continue to be binding upon the Vendor and the Buyer, nor does such deposit, inspection or use create any additional express or implied warranties upon which either the Vendor or the Buyer can rely, other than those allowed by statute or law.
- 10.3 The Vendor and the Buyer acknowledge and accept that neither the Auctioneer nor the Association will be liable for any claim, damages, liability, actions, demands or losses whatsoever in the event that the DRI's are of poor quality, inaccurate, invalid, incomplete, insufficient or not authentic.

The Vendor acknowledges and accepts that the Association will be entitled to its Sales levy and charges immediately upon the effecting of the Sale (subject to the Conditions of Sale) and the Vendor's obligation to pay the Sales levy and charges will stand notwithstanding any subsequent dispute between the Vendor and the Buyer.
- 10.5 The Vendor and the Buyer acknowledge that the Association has determined that access to the DRI's will be restricted to veterinarians licensed by the S.A. Veterinary Council.

11. ASSOCIATION'S ACKNOWLEDGMENTS AND OBLIGATIONS:

- 11.4 Whereas the Association has made available the Repository for the vendors to provide DRI's of each of their respective lots but will not be liable for any claim, damages, liability, actions, demands or losses whatsoever, from the Vendor, Buyer or any person or party by virtue of the fact that a Vendor elects not to provide DRI's with respect to any Lot.
- 11.5 The Vendor will, in accordance with the Repository Conditions, be entitled to inspect a register, kept for that purpose by the Association, of any party who has inspected the DRI's of a Lot submitted by the Vendor.

PART B OF APPENDIX 1

All images must be submitted in DICOM format to ensure the integrity of the veterinary medical record.

All Buyers must ensure that the veterinarians they contract to view and interpret DRI's at Sales are familiar with digital format radiography and can interpret digital radiographic images in a meaningful way for their particular needs. The increased tissue definition afforded by digital radiographic imaging means that more anatomical structures are presented on a digital image for interpretation. Contracted veterinarians should be familiar with the increased information to be interpreted and possibly reported on in digital radiographic images.

APPENDIX 2

2.1 Lane Grading System for Laryngeal Function

Grade 1

All movements, adductory and abductory, are synchronised and symmetrical regardless of whether sedated or examined before or after exercise.

Grade 2

All major movements are symmetrical and a full range is achieved. Transient asynchrony, flutter or delayed opening is present.

Grade 3

Asymmetry of the rima glottides at rest due to reduced motility of the left arytenoid cartilage and vocal fold. On occasion, typically after swallowing or during nostril closure, full symmetrical abduction is achieved.

Grade 4

There is consistent asymmetry of the rima glottides with some residual active motility by the left arytenoid cartilage and vocal fold. Full abduction is not achieved at any stage.

Grade 5

True hemiplegia. There is obvious and consistent asymmetry of the rima glottides with no residual active motility by the left arytenoid cartilage and vocal fold. No responses to the 'slap' test are provoked.

2. BEFORE THE AUCTION

- 2.1 The auction will commence at the published time and will not be delayed to enable any person/s to take part in the auction.
- 2.2 If before the auction, the Auctioneer becomes aware of any fault on advertising material or any other publication or any amendment to these Rules of Auction, the Auctioneer will point out and if necessary amend such mistakes in the advertisement or publication.
- 2.3 Each bidder must register as a buyer on the bidder's role and must provide to the satisfaction of the Auctioneer, proof of identity, residence and any other documentation required by the Auctioneer in relation to the bidder's financial means or as security for payment. On completion of registration on the bidder's role, the Auctioneer will issue the bidder with a bidder's card which entitles the bidder to make purchases to a specified maximum value (the Approved Purchase Facility).
- 2.4 By registering as a buyer on the bidder's roll, the bidder is deemed to be bound by these Rules of Auction and the Conditions of Sale provided to the bidder and otherwise available at www.bsa.co.za
- 2.5 The Auctioneer may in its discretion, as a condition of issuing a bidder's card or increasing an Approved Purchase Facility, require a bidder to pay the Auctioneer a refundable cash deposit of a minimum of 75% of the Approved Purchase Facility or increase thereto.
- 2.6 If the bidder is bidding on behalf of a third party, the bidder must submit letters of authority authorizing the bidder to bid on that third party's behalf and must comply with the FICA Requirements in relation to the third party.
